TECHNICAL UNIVERSITY OF CRETE

School of Chemical and Environmental Engineering

Annual Progress Report of a Doctoral Candidate

ACADEMIC YEAR 20..... – 20.....

I. GENERAL INFORMATION

CANDIDATE DETAILS

Candidate's full name:

Student Identification Number:

Progress Report Number:

THESIS DETAILS

Doctoral Research Title:

Area of specialization:

Start Date of Doctoral Research:

Language of writing: Greek English*

THREE-MEMBER COMMITTEE

Supervisor:

1st Member of the Three-Member Committee:

2nd Member of the Three-Member Committee:

** In cases where the language of drafting is English, the progress report must be written in English.*

II. REPORT

1. LITERATURE REVIEW

(State the core research questions of your doctoral thesis. How does your research differ from what has been investigated in the existing international literature?? Cite the relevant literature using sequential numbering in square brackets (e.g., [1]) in the text. The reference list should be provided in Section 5.
max 100 words

2. RESEARCH PROCESS

2.1 Research results and progress

(Provide a summary of your research results and the progress achieved. Figure and table captions must be numbered.)
max 150 words

2.2 Methods

(Describe the methodology followed to address your research questions. Why is this methodology appropriate for your research?)
max 100 words

2.3 Barriers

(Describe the research barriers that encountered and how they were addressed.)

2.4 Indication of possible deviations from the timeline.

(State any potential delays from the timeline presented in the previous Progress Report.)

3. RECORD OF ACTIVITIES

3.1 Course attendance

(List the courses you have attended, and the grades obtained in the respective examinations.)

3.2 Participation in conferences or other scientific events

(List conferences or other scientific events in which you have participated.)

3.3 List of scientific publications

(List the scientific publications that have been completed or are currently in progress.)

3.4 Other activities

(Research visits to laboratories of other Universities, any awards or scholarships received, participation in research projects, etc.)

4. TIMELINE – FUTURE GOALS

(Describe the goals you intend to achieve by the submission of the next Progress Report, as well as the timeline for achieving them.)

5. References

(Provide a numbered list of the references used in your doctoral research. Indicate whether you are currently at the stage of collecting or reviewing the relevant literature
Examples of reference formats:
Reference to a journal publication:
