SEVEN-MEMBER EXAMINATION REPORT

Of Mr/Mrs. …….

The Seven-Member Examination Committee consisted by decision No. ……. of the General Assembly of the School of Chemical and Environmental Engineering of the Technical University of Crete, in accordance with the provisions of Article 38 of Law 4485/2017, for the defense of the PhD Thesis of Mr./Ms. [Name], consisting of

1. ……..…….. ……
2. ……..……
3. ……..
4.……..…. …….. ……
5. ……..……
6. ……..……..
7. ……..……..

convened for a meeting today, …….., in Chania, at the Technical University of Crete, and attended the public defense of his/her PhD Thesis, titled:

«……..……
……..»

carried out under the supervision of the Three-Member Advisory Committee, consisting of:

1. ……(Supervisor)
2. ……..
3. ……

Following the defense of the PhD Thesis, the Members of the Examination Committee posed questions to the candidate and concluded that:
A. The PhD Thesis is original and contributes to the advancement of theoretical and applied research.
B. The candidate answered the questions posed to him/her regarding his/her PhD Thesis.
C. The candidate presented the objectives and findings of his/her work comprehensively.

The candidate then withdrew, and a discussion among the members of the Committee followed. Taking into consideration the applicable legal requirements, the Committee members unanimously concluded, following a vote, that the doctoral dissertation of Mr./Ms.

…… is original and constitutes a significant contribution to science, and decide to award him/her the degree of Doctor of the School of Chemical and Environmental Engineering of the Technical University of Crete.
