PhD program in Environmental Engineering

ANNOUNCEMENT

Annual Progress Report of PhD Candidates

According to the Regulation of Doctoral Studies, all PhD Candidates must submit a detailed report and present it to the three-member Advisory Committee (AC) at the end of each year from its appointment. The detailed report with any additional comments by the AC constitutes the Progress Report (PR).

*PhD candidates are required to send the detailed report to the Secretariat (secretariat@chenveng.tuc.gr), **no later than 31 December 2021**, in order for it to be kept in the files of each PhD candidate.*

The Progress reports will be presented at the 3rd **Conference of Doctoral Students of the School of Chemical and Environmental Engineering of the Technical University of Crete**, which will be held on **January 14, 2022**.

For more information, an announcement will be published at the end of December.
